RICHMOND TOWN MEETING RESULTS 1997

The moderator announced that the Richmond Rescue Squad was offering home baked goods and beverages with donations to benefit the squad. He also announced that the Girl Scouts were selling cookies.

The meeting was called to order at 7:10 pm. Richard Webber led the invocation. Departed members were remembered with a moment of silence. The flag salute was led by the Richmond Brownie Troop.

The moderator stated that once articles were voted on they would not be reconsiderd. He then suspended the rules to discuss a motion on zoning changes. The following motion does not appear in the warrant, but the selectmen may take it under advisement. "Move that the legislative body direct the selectmen and/or town clerk to seek a declatory judgement as to whether the zoning amendments, as submitted by the planning board on the official ballot for 3/11/97, were substantially different from the final proposal as submitted to the town clerk on 2/4/97, and subsequently accepted by the selectmen on 2/17/97." Said motion was presented in writing and signed with eight (8) signatures. It was moved and seconded. Failed. Hand vote 21 yes, 33 no.

1. OFFICERS VOTED ON EARLIER:

Selectman for three (3) years, Dana Taylor - 89
Cemetery Trustee for three (3) years, Bertha Remick - 117
Trustee of Trust Funds for one (1) year, William Hatch - 117
Planning Board for three (3) years, Robert Coy - 98
Planning Board for three (3) years, Ludger Morin - 93
Library Trustee for three (3) years, Sandra Holbrook - 117
Town Clerk for three (3) years, Pamela Goodell - 121

2. The Town voted by ballot on the 1997 revisions to the Richmond Zoning Ordinances as proposed by the Planning Board in accordance with the statues of the State of New Hampshire.

The Town voted in favor of Amendment #1 as proposed by the Planning Board for the Richmond Zoning Ordinance as follows: To delete the reference to "underground" from Article 3, 304 so that the sentence reads "All sewage disposal systems,,,". 91-yes; 27-no Passed.

The Town voted in favor of Amendment #2 as proposed by the Planning Board for the Richmond Zoning Ordinance as follows: To add a provision to Article 3 requiring all dwelling units and additions to be built on a permanent foundation. 78-yes; 42-no Passed.

The Town voted in favor of Amendment #3 as proposed by the Planning Board for the Richmond Zoning Ordinance as follows: To insert provisions into Article 3 limiting signs to 25 square feet, and describing the types of signs permitted. 86-yes; 32-no Passed.

The Town voted in favor of Amendment #4 as proposed by the Planning Board for the Richmond Zoning Ordinance as follows: To add the words "single family" to Article 4, 401.1 so that the sentence reads "It shall be primarily a single family residential district with..." 82-yes; 38-no Passed.

The Town voted in favor of Amendment #5 as proposed by the Planning Board for the Richmond Zoning Ordinance as follows: To amend Article 5,505 by changing the word

"shoreline" to "reference line". 78-yes; 37-noPassed.

The Town voted in favor of Amendment #6 as proposed by the Planning Board for the Richmond Zoning Ordinance as follows: To amend Article 8, 803 by adding language that allows a nonconforming building to be expanded, provided the nonconforming status is not exceeded. 67-yes; 49-no Passed.

The Town voted in favor of Amendment #7 as proposed by the Planning Board for the Richmond Zoning Ordinance as follows: To amend Article 9, 903 by inserting a list of information required by the selectmen for a building permit application. 78-yes; 37-no Passed.

The Town voted in favor of Amendment #8 as proposed by the Planning Board for the Richmond Zoning Ordinance as follows: To delete the two references (404.2 & 405.5) for the need for Site Plan Review by the Planning Board for multi-family, conversions and cluster developments, and place the language into Article 9, 903 - Application for a Building Permit. 77-yes; 37-no Passed.

The Town voted in favor of Amendment #9 as proposed by the Planning Board for the Richmond Zoning Ordinance to clarify that nonconforming lots of record may be used or built on for all uses permitted in the district, provided that setbacks and sewage disposal can be met, by: deleting the references in 403 and 502.3 and moving them to new paragraph 806 as follows: "Lots of record, prior to March 13, 1990 that do not meet frontage or acerage requirements of this ordinance or do not contain a square equal to 250 feet per side may be used for construction of a single family dwelling in Area A or Area B. When appropriate, as determined by the Zoning Board of Adjustment, such lots may be used for construction associated with Special Exceptions. All other requirements of this ordinance must be met." 70-yes; 47-no Passed.

The Town voted in favor of Amendment #10 as proposed by the Planning Board for the Richmond Zoning Ordinance to include provisions in the ordinance relative to Wireless Communication Facilities by: Deleting the last sentence in Article 3, 309 - "Unattached antennas or chimneys are not permitted unless they service a residential dwelling.", thus bringing this provision into conformance with the Federal Telecommunications Act. Adding new paragraph 313 to Article 3 stating that commercial wireless communication facilities are permitted in Residential District A and Wetlands District C only by Special Exception. Adding the Special Exception criteria to Article 10 relative to the siting of wireless communication facilities including prohibiting the erection of such facilities within a one mile radius of the intersection of Route 32 and 119. 72-yes; 47-no Passed.

The Town voted in favor of Amendment #11 as proposed by the Planning Board for the Richmond Zoning Ordinance to add two new definitions to Article 15 and amend one definition, as follows: Add: Foundations - Foundations are to be constructed of stone and mortar, masonry or concrete that extends below frost line (normally 4 feet), unless ledge restricts it. Slabs with a 4-foot frost wall are permitted." 78-yes; 39-no. Passed. Add: Site Plan Review - Review for approval by the Richmond Planning Board of all structural and landscaping plans." 60-yes; 51-no Passed. ## TOWN CLERK'S REPORT

Revenue collected this year in the Town Clerk's office increased approximately $7,000 over last year. It is interesting that in the last 5 years the revenue has increased a total of $35,000. Most of this was due to vehicle registrations. We registered 1198 cars this year. Ninety percent of the people chose to do the state portion of their registrations in town.

New shelves and an additional file cabinet have enabled us to become more organized. A little more work on a closet next year, and we should have the space we need to find things as we need them.

My continued thanks to Deb Vaughan and Maureen Griffin-DuVerger for all their hard work.

Many new laws have come into effect again this year, and we continue to do our best to keep informed so that we may give people the best service possible.

Respectfully submitted,
Pamela Goodell

## AUDITOR'S REPORT February 16, 1998

The Board of Selectmen
Town of Richmond
Richmond NH 03470

Submitted herewith is the report on the audit and examination of the Town of Richmond accounts and records for the fiscal year ended December 31, 1997. The financial statements are an integral part of this report and must be retained by the Town Clerk with other permanent town records.

### SCOPE OF THE AUDIT

The examination and audit included the accounts and records of the Richmond Selectboard, Treasurer, Tax Collector, Town Clerk, Trustees of Trust Funds and The Richmond Public Library.

### FINANCIAL STATEMENTS

1. The Statement of Appropriations and Expenditures show a net unexpended balance of appropriations amounting to $26,592.86.
2. The Statement of Estimated and Actual Revenue shows a net revenue in excess of $20,567.54 over revenue anticipated excluding tax revenue.
3. The accounts of the Town Treasurer, Town Clerk, Tax Collector have been summarized and compared with those recorded by the Selectboard.
4. In 1997 Richmond encountered no long term or short term debt.
5. The Town of Richmond invests excess funds in the NH Public Deposit Investment Pool

### AUDIT PROCEDURES

The records and accounts of Town Officials responsible for the custody, receipt and disbursement of public funds, as indicated in the scope of the audit were examined and verified to the best of my knowledge and ability. All Town books and papers were carefully reviewed and examined. Samples of various records and activity were pulled and verified for accuracy in all departments.

### CERTIFICATION OF AUDIT

I hereby certify that I have examined and audited the accounts and records of the Town of Richmond, New Hampshire, for the fiscal year ended December 31, 1997. In my opinion the attached statements represent the financial position of the Town of Richmond for this period.

### APPRECIATION

I wish to sincerely thank Ed Campbell of the Richmond Selectboard for the help, patience, and encouragement, Lynn Adams for recreating so many reports for me. Thanks to Pam our Town Clerk, for coordinating all your records around my schedule. Thanks to Neil our new Tax Collector for the office space. Thanks to Ruth our Treasurer for keeping such clear records. I am grateful to you all and appreciate your help and support.

Respectfully submitted,

Marie Knowlton

Marie L Knowlton, Town Auditor

# 1997 ROAD AGENT REPORT

Ice storms in late December early January left many trees and limbs on the roads, mostly though pine trees took the beating. Ice flows also formed on some roads.

February 11, Keene Tree made the rounds, cutting dead trees on Morgan, Bullock, Activity, Fish Hatchery and at the Town Hall.

March 24, roads were closed to trucks 6 ton and over for the mud season, mud spots this year were on Taylor Hill and Martin Roads.

Grading roads started May 2 and lasted about 3 weeks. The grader was used to ditch the paved section of Whipple Hill and Cross Road, getting the roads ready for paving. On July 22 a new culvert was installed near the bridge on Whipple Hill Road, also brush was cut. Ditching was also done on the paved sections of Morgan Road.

July 1, 1103 cu.yd of crushed grave at Ed Martins pit was loaded, hauled, spread and graded on Taylor Hill Road.

Brush was cut on a number of roads, culverts cleaned, running planks were replaced on the bridge on Turnpike Rd.

August 12, Lane Construction paved Whipple Hill and Cross Roads, 932 tons 3/8" hot top asphalt.

Honey Hill Road was taken over by the town as a class five road 1600' Pond Woods Road also taken over as a full class five road from Route 119 to Bobby Packards new home 950', a section of Tully Brook Road also taken over by the town from the present turn around to the closed bridge 1200' also as a class five road.

Dan Firmin was low bidder on winter maintenance for 1997-1998 winter season.

Beaver problems were minimal. Could it be truce has been established?

# 1997 REPORT OF THE RICHMOND SELECTBOARD

The past year was busy for the Selectmen's office. With the resignation of two town positions, Lori Condon resigned as town auditor, and was replaced by Marie Knowlton. Richard McCarthy resigned as tax collector, and was replaced by Neil Moriarty. We are fortunate to have them working with us.

The approval of Honey Hill Road subdivision being excepted as a class 5 Road, with year round maintenance. Ponds Woods Road was brought up to full maintenance for the first thousand feet. Also, a twelve hundred foot extension of Tully Brook Road being approved as a class 5 road, with year round maintenance.

The Selectmen are continuing the process necessary for appointing a new administrative head to the Police Department. We realize Richmond has not had a Police force for sometime; however, we hope to have someone in place soon.

Thank you to everyone who strive to make Richmond a better community to live in.

# 1997 ARCHIVE REPORT

1997 inquiries to the Richmond Archive for information were received by phone, in writing, by personal visit and by appointment. The budget from the town funds (through the library budget) of two hundred dollars was used to purchase acid free archival preservation materials including sleeves, file folders, notebooks, paper for interleaf of documents and other items. Prices go up every year and what we can order becomes less. Money from our donation fund was used also for materials for our Quaker Meeting records project. The Quaker meeting records have been completely transcribed by Ruth Flanders on to her computer from photo copies of the microfilm donated by Dr. Richard Martin in 1996. Now encased in three notebooks with the photo copies of the originals, this work is available to researchers interested in tracing their Quaker "roots" (1795-1835). Thank you Ruth Flanders for a tremendous work well done. Proof reading was done by Joe and Norma Thibodeau. The index for this work will be carefully prepared in 1998. When indexed this work will provide an instant new tool to trace Richmond family Quaker roots. The Quakers kept careful track of families moving in and out of their "Care".

Preservation work for 1998 includes other documents to be more readily accessible for use without jeopardizing the originals of old documents (which happens with handling by the public). In 1998 the Archive is asking for an increase of our town funds budget to allow for further preservation work. Town funding is also used for education purposes for our archive workers who receive no pay for their work.

Donations for research done on an individual basis are put into an archive fund which is used to acquire, preserve and provide information concerning our archive that is not provided by Town funds. Any donation to the archive of memorabilia, documents, or money are gratefully accepted.

The Richmond Archive is open by appointment only (603-239-4598). If writing for information please include SASE. There is a charge for requested research, transcribing, and copies. Visits are free, by appointment, Tuesday through Friday 9 A.M. - noon.

Thank you all for helping us preserve Richmond's heritage for future generations

# RICHMOND CONSERVATION COMMISSION

**Annual Report**
1997 Calendar Year

During 1997 the Commission received, evaluated, and approved a number of applications for various construction projects involving wetlands (such as culverts). In each case compliance with State regulations and completion of the necessary paperwork was insured.

For several years the Commission negotiated with Tree Growers, Inc., to secure a permanent conservation easement for the historic Harris Soapstone Quarry on Parker Hill, and to obtain public access to any future impoundment upstream of the old Dan Cass dam site in Sprague Meadows. During 1997 Tree Growers sold its Richmond holdings to a corporation known as Sprague Brook, Inc. Fortunately for the Town, the new owner (represented by Fountain Forestry, Inc., of Pittsfield, NH) has been helpful and cooperative. The Commission anticipates that a mutually beneficial agreement, similar to that pursued with Tree Growers, will be worked out in the coming year.

Implementation of the management plan for the Harry J. Bennett Town Forest is being actively pursued. The Commission plans for significant work to be contracted in 1998.

Once again the Commission will pay full tuition for one or more Richmond students to attend the Society for the Protection of New Hampshire Forest's Community Conservation Camp. Details for applications will be posted in the Richmond Library as soon as available. Participation in this camp would be a big plus in the résumé of any college-bound student.

Please note the Warrant article dealing with the Town Forest: As stated, approval of this Article would allow the Commission to negotiate a conservation easement deed for the permanent protection of the Harry J. Bennett Town Forest. Any agreement reached would not take effect unless approved by the Selectmen. Such an easement is the only practicable way to insure that the Town Forest will continue to be managed as a living resource for the Town.

Similarly, the Commission hopes that you will consider a conservation easement to secure the long-term protection of your own land. It's the only feasible way to insure that a treasured parcel of land will be forever used according to your wishes. If you would like to know more about conservation easements, please contact The Monadnock Conservancy, P. O. Box 1035, Dublin, NH 03444, or call 924-3400 (E-Mail: conservancy@top.monad.net).

## REPORT OF THE CEMETERY TRUSTEES

First of all, the Trustees would like to acknowledge the caring and careful work which Darold Tanner has given to the cemeteries the past two years. At one burial this past year, the vault company representative remarked that the grave was the most perfectly dug he had ever seen.

This year, the Trustees purchased new flags for the Veterans' graves, and a canopy, which will allow grave-digging and funerals in inclement weather. We also got estimates for stone re-setting and repair in South Cemetery. The early snows in November caused this work to be postponed until next year. Twelve lots were sold, and there were five burials this past year.

The Cemetery Trustees have requested that the Selectmen subdivide about five acres out of over one hundred acres of adjacent land acquired by the Town for taxes. This land abuts the present South and Earl Howard Cemeteries, and would secure adequate future expansion as the town grows.

Projects planned for the coming year include painting the Middletown Cemetery fence, making needed repairs to the old Telephone building to provide equipment storage for Middletown Cemetery, and the erection of a storage shed in South Cemetery. We estimate the cost of this new storage shed at $1400.00 and this accounts for the budget increase requested. In the coming year, we will get estimates for the removal of the huge dead pine tree in Old South Cemetery, and will factor that into our 1999 Budget.

## 1997 POLICE ACTIVITY REPORT

During 1997 coverage for police related activity was provided by Troop C of the NH State Police. They handled 39 criminal and 148 general assistance calls. Comparing criminal activity with 1995 (last year for which we have statistics) shows:

| | 1997 | 1995 |
|---|---|---|
| Runaways | 2 | 0 |
| Burglary | 12 | 12 |
| Trespass | 2 | 8 |
| Domestic | 1 | 14 |
| Dog Bite | 1 | 1 |
| Harassment | 1 | 2 |
| Criminal Mischief/Vandalism | 8 | 14 |
| Harassing Phone Calls | 1 | 0 |
| Criminal threatening | 1 | 0 |
| Assault | 2 | 16 |
| Child Abuse | 1 | 0 |
| Suspicious Person/activity | 1 | 38 |
| Untimely Death | 1 | 1 |
| Found Property | 1 | 0 |
| Theft | 4 | 6 |

STATUS OF EFFORTS TO ESTABLISH LOCAL COVERAGE

During the Spring of 1997 we terminated our contract with Municiple Resources, Inc. at the end of Phase I. This was a 2 phase contract calling for documentation of our needs and the development of options to meet those needs in part 1 with the development and implementation of a plan to adopt the 'best' option during phase 2.

It was the recommendation of MRI that we establish a relationship where we purchase police coverage from an established law enforcement body. Toward this end dialog was initiated with many of the surrounding towns and with the Cheshire County Sheriff Department. Although most of the law enforcement department heads were receptive and interested we were not able to establish a relationship due to such things as: Boards of Selectmen saying 'NO', concerns over potential liability issues, prioritization of responses, off hours support, need to travel through other towns to reach Richmond and the fact that most area police departments are having political, financial and staffing problems.

Having exhausted all other options, we are working to re-establish a Richmond Police Department. We have written job descriptions and have arranged with the NH Police Chief Association to conduct an interview/screening/recommendation process of those 10 persons who have expressed an interest in leading a part time Police Department. We expect to receive the results of their work early in the 2nd quarter of 1998.

## 1997 RICHMOND RESCUE

The Richmond Rescue Squad is a dedicated group of volunteers who serve our town to provide an emergency medical service. We are fortunate to have these volunteers. They serve as First Responders, Emergency Medical Technicians (EMT's), and Emergency Medical Technicians Intermediate (EMT-I's). Each level requires sacrifices, hours of training, dedication and skill.

We have several firemen and squad members training to be EMT's at this time. We also have another member taking the EMT-I course. These people have put in a lot of time and effort to provide the town with adequate emergency service. We support and encourage everyone in passing the state and national exams.

If you would like to serve your town as a squad member, you will need to take a first responder course and be certified in Cardiopulmonary resuscitation (CPR). A course will be offered starting sometime in March. Please contact a squad member for more information, if you are interested in joining the squad.

I look forward to serving the squad as the new captain.

Dana Flanders, Captain

## RICHMOND RECREATION COMMITTEE REPORT

The Recreation Committee began 1997 with the annual Easter Egg Hunt. The day was cold and there was snow on the ground around the fire station pavilion, but the children had a lot of fun finding the Easter Eggs hidden throughout the area. Children could make Easter baskets and color eggs during the event. Refreshments were served. Roseann Amato who has helped with this event for many years indicated that she would no longer be available in the future. Suzanne Deegan volunteered to coordinate the Easter Egg hunt for 1998.

There appeared to be no interest in reviving the Graduation Potluck Supper so we decided to send each graduate a letter and a gift certificate to the Toadstool Bookstore. The gift certificate has been a traditional graduation gift for a few years now. By sending the gifts, each graduate received the town's congratulations. Some graduates sent thank-you cards, which was appreciated.

Camp Takodah felt that it would be better to have Richmond Swimming lessons during the girl's session of camp. This meant that swimming lessons would have to begin at the earliest during the last week of July, when Richmond Day Camp is in session. We decided to incorporate the first week of swimming lessons in with day camp. It worked very well! The turnout for swimming lessons, though, was a little overwhelming to the Waterfront staff at Camp Takodah. Over sixty children were waiting on the first day of lessons, too many to test. Lessons were given three days a week for three weeks. The number dropped off over the last two weeks, unfortunately. Children who attended all of the swimming sessions get the most out of the lessons and many return every year to further advance their swimming skill. Counselors volunteer their time to give our children swimming lessons. The number of counselors volunteering seems to be falling off. This makes it hard to have continuity with the lessons. Camp Takodah is working with our Recreation Committee to solve this problem.

Summer Day Camp was offered during the last full week of July. Camp was held at the Town Pavilion and was coordinated by a Director who was supported by volunteers and counselors. This was the fourth year that camp was offered free of charge to all town residents. The camp was also offered to children who ranged in age from two to twelve. Parents were encouraged to bring their younger children if they were able to chaperon them during camp activities. A few parents came to help with their younger children. Camp activities included daily arts and crafts projects, games and swimming lessons. With swimming lessons each afternoon, we did not have much time for any special events. We did have some relays and sport events. Children won awards for their participation at camp and each camper got a picture of themselves at camp. We taught the campers a song this year to present to parents. The song was sung at Family Night and parents were encouraged to sing along. Family night was a potluck supper attended by parents and day camp participants. We had over 30 children attend day camp this year.

Summer ended with Richmond Days on Labor Day weekend. The Recreation Committee marched in the town parade and gave out candy. During the annual chicken barbecue, the Recreation Committee offered games and prizes for children. The emphasis this year was on fun for the children. Every child who played a game won a prize and many came back to play again and again. Games included a penny toss into goblets, fishing, and a lollipop lottery. All of the money raised was donated to the Richmond Junior Girl Scouts. Weather conditions were rainy during the afternoon, so attendance was low for our booth and only $21.00 was raised.

The annual Halloween party was held at the last minute at the Veterans Hall on November 2nd. Weather conditions once again did not help our efforts. Storms forced us to change the date once and then at the last minute the location. Attendance was lower than usual but those who came had a great time! Adults and children participated in the costume contest. Winners received small gifts. Children, ate donuts, bobbed for apples, played with pinatas and went through a Haunted House that was organized by the Richmond Junior Girl Scouts. Refreshments were served throughout the night and when the evening was all over a few volunteers stayed to help clean up! We had some help from the Desert Theater in our clean-up since they were scheduled to use the Veterans Hall on that evening. They were very patient with us and understanding of our need to use the Veterans Hall at the last minute. We gave our extra refreshments to them in appreciation and our thanks!

The visit from Santa/Family Sing-a-Long on December 6th was very well attended. Coming back from Christmas Carolling with the Brownies and Junior Girl Scouts, both Linda Schmidt and I faced a crowded Veterans Hall. Suzanne Deegan was there to set up things and begin the event. Books were given as gifts and the books that were left over were donated to the Richmond Library. Refreshments were served and once again clean-up was done by a number of wonderful volunteers.

Thank you to everyone who volunteered and helped to make 1997 an exciting and enjoyable year for the Recreation Committee. We are now at three members which is great. Camp Takodah has indicated that it will work more closely with the Recreation Committee in 1998 to bring on some new Recreation Programs and firm up some old ones. We look forward to a fantastic 1998!

## Report From The Winchester Solid Waste Management District

1997 was a very important year for the Waste District as the Landfill was closed and capped and a polyethylene liner was installed. The budget for this project was $858,500 and Richmond was responsible for 18% of the costs with the Town Of Winchester paying the rest. In January, we opened 16 sealed bids at a public meeting. Only Tyree Organization, Ltd. had a bid that conformed to our budget. On March 26, the contract was awarded to Tyree and construction began. The project was not without problems, but our engineering firm Hoyle, Tanner, and Associates did an excellent job of overseeing the project with the help of John Gomarlo from Winchester. Chris Albert from Hoyle, Tanner actually lived at the Shir-Roy campground during the entire construction phase and brought the project in at budget. We now appear to have a long-term solid waste plan for the residents of the Town of Richmond and future costs should be affordable. The landfill continues to be open the same number of hours, but it is now open Thursday nights and closed on Sundays. The help at the landfill is excellent and we didn't want to force them to work both weekend days. We hope that this hasn't been too big an inconvenience to Richmond residents.

# PLANNING BOARD REPORT

At the Town meeting of 1997, amendments to the Zoning Ordinance were proposed by the Planning Board and approved by the Town. Most of these changes did not change the substance of the ordinance, but clarified the intent and eliminated possible confusion. A major change involved the addition of conditions required for construction of telecommunication antenna towers. This was needed to provide some control. The Federal Government, by passage of the Telecommunications Act, made it illegal for us to prohibit such structures.

The other significant change to the Zoning Ordinance was the requirement for a frost wall in all residential buildings. The Planning Board felt that such a requirement would reduce physical deterioration of houses.

The Planning Board approved one subdivision during the year to David C and Phyllis L Ramsden to divide their property on Old Homestead Highway into three lots. An application for subdivision was submitted by the Blessed Sacrament Community (Doug Bersaw) for seventeen lots from 3 to 4.5 acres each. The Board did not accept this application (we did not disapprove) because it was incomplete. There were five omissions; the most important being septic system approval by the State. Three other potential applicants appeared before the Board for preliminary discussions, but they have not taken further action.

Two requests by Public Service of New Hampshire; one to cut along Fish Hatchery Road to provide power lines there and the second to trim throughout the town to protect power lines in general. After a public hearing in December the Board approved of the request to cut on Fish Hatchery Road.

The Board met with Cheshire County YMCA (Camp Takodah) regarding a proposed amendment to the Zoning Ordinance permitting construction of a dining/hall conference center and other structures in the Lakeside District. The Board decided not to propose such and amendment and the YMCA chose to submit it to the 1998 Town Meeting by petition.

The Board has been working on modifications to the Subdivision Regulations to make it more user friendly, to correct some errors and add requirements which are needed since the regulation was last changed. During 1998 a public hearing will be conducted to discuss these changes.

Respectfully submitted,

Gordon D. Oxx Jr., Chairman

## Richmond Fire Department

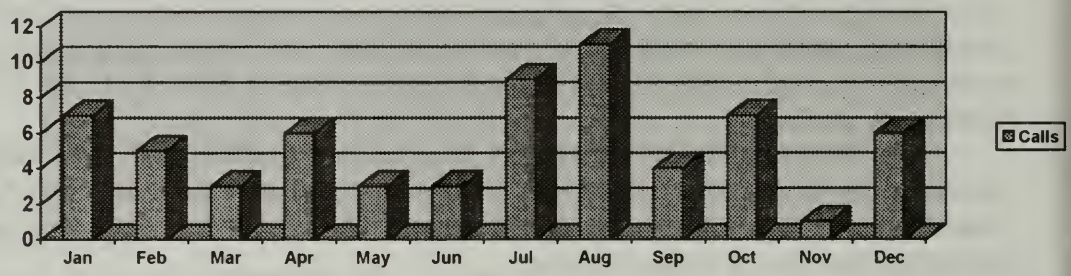
Remember how dry it was this spring, especially in April and May? I admit I had forgotten until I began reviewing the files for this report and saw the brush fires. Most firefighters would rather be out of town when there is a brush fire! Extinguishing a brush fire is dangerous, hard work and control must be gained quickly for a brush fire can easily destroy any structure in its path. Sharp eyes, keen noses and cell phones are really helping to keep these small. Until this spring we had been happily avoiding them for several years.

This year we again attacked improving our water sources and I am happy to report two new fire ponds, plus several repaired / improved hydrants. Many Thanks to Bud Jacobson who finally managed to get the paperwork under control and the hydrants installed. The paperwork took over one year - the installation less than two weeks! Additionally, we are slowly increasing our inventory of large diameter hose. This hose enables pumping water over long distances at high flow rates. However, at a cost of over $400 per hundred foot section we are not adding a lot each year, but every bit helps. We should have 1200 feet by the time you read this, with 1000 feet purchased using funds raised by the Labor Day BBQ, raffles and donations. Two lengths are bright yellow. They were obtained from funds donated in memory of Franklin and Harry Morse. Each time they come off the truck they remind us of these two fine gentlemen and their many, many years as Richmond firefighters.

The record for 1997 shows your fire department responding to 64 calls, 6 to assist neighboring towns. The statistics are:

3 Brush Fires 3 Chimney Fires 3 Mutual Aid Calls
3 Mutual Aid Calls to man an empty station 4 Motor Vehicle accidents
8 Miscellaneous calls (fire alarms activation's, gas leaks, Carbon monoxide alarms etc.)
38 Rescue calls 2 Structure fires

The monthly distribution of calls is shown below. We had a busy summer.



These 64 responses account for over 1080 on-the-scene personnel hours. This is only the tip of the iceberg. The training and maintenance time required to keep the equipment and personnel ready to respond far exceeds the actual emergency scene time. Each fire fighter who earns his "firefighter one" certification has over 120 hours of training. Every EMT - Basic receives 120 hours of training. Every EMT - Intermediate has over 200 hours. Training and practicing never stops.

My heartfelt thanks to each and every Fire and Rescue volunteer! Special praise for their families who help them get out the door at 3 AM! Richmond is a better, safer place to live through their efforts.

Respectfully submitted,
H.B. Shaw III, Chief
Eino "Bud" Jacobson, Deputy

## LIBRARY REPORT FOR 1997

During 1997 the Library added 504 books, 32 audio tapes, and 44 donated videos. Our circulation of 6,998 averaged 7.69 books a week, while the summer reading program attracted 68 young readers.

Early in the year we decided to start the leg-work involved with putting our collection on computer and visited several small libraries to see how they embarked on this project. We then visited the State Library for information and training on software which provides cataloging data for individual books via modem. Having discussed what we need in the way of a new computer to help with the cataloging project and library administration and to give us the ability eventually to use CD-ROMs and the Internet, we feel ready to make the purchase early in 1998.

In March Sandy Holbrook was re-elected to a three-year term. We are pleased to retain her enthusiasm, perspective, and hard work.

The library was grateful to receive Luke Faust's extensive book collection, which contained many important additions to our holdings. We also benefitted from another of our loyal supporters when Edith Atkins held a book signing of her just-released Walking back through Time and donated the proceeds to the library.

Those who like to read about our area of the country will be interested to know that a bibliography of the Library's books concerning New Hampshire and New England is almost finished. The most visible work done at the library this past year was the painting of the exterior and the replacement of carpeting in the Atkins Rooms.

We note with sadness the passing of Stewart James, a long-time contributor to the Library as volunteer, Friend, Trustee, and creator of the Library building logo used on our stationery.

Thanks to the people of Richmond for their support, to include approving our budget, making private donations, and volunteering to help Dianne in a variety of ways from cleaning to shelving books. Special thanks to: Sue Laughner and the Friends of the Library for raising money for the summer reading program by holding the silent auction and bake sale; and to the Four Corners Store and Gary Zitta for sponsoring the Richmond Day road race, the proceeds of which go to the Library. We also appreciate the gift subscriptions to Science News, Time, Newsweek, Sierra, Global Stamp News, Smithsonian, and Discovery.

Come pay us a visit in 1998. Our hours are Tuesdays between 2 and 8 PM and Saturdays between 9 AM and 1 PM. See what we've got to offer, especially for children. We continue to concentrate on expanding the children's collection and are happy to offer suggestions to those unsure what reading adventures await them. We look forward to serving all comers, both old and new.

## 1997 MONADNOCK FAMILY SERVICES

As you know, Monadnock Family Services is active in your community, providing quality mental health services to all residents who need them regardless of their ability to pay. During the past year MFS provided services to over 3,000 adults, children and older adults of which 25 were residents of Richmond. The support you have provided to MFS in the past is deeply appreciated, and we hope that our partnership in caring for the citizens of Richmond will continue with the incorporation of this years request if $924.00 in your town's budget.

## 1997 KEENE COMMUNITY KITCHEN

During the time period of January 1, 1997 and September 30, 1997 the Community Kitchen served and/or distributed 3,411 meals to residents of Richmond for a total cost of $1330.29. There are still three months left in the year. The average cost per meal to The Community Kitchen is $.039, which covers all of our costs including salary, insurance, vehicle operation and maintenance, utilities and food. An average of 500 families every week come to the Pantry for food assistance. In 1997 for the first time, we have insisted on a verification process for each family or individual receiving help from the Pantry Program. We have asked for written proof of names, ages, addresses and income for each member of the household.

## 1997 HOME HEALTHCARE, HOSPICE AND COMMUNITY SERVICES

In 1997, Home Healthcare, Hospice and Community Services (HCS) continued to provide home care and community services to the residents of Richmond. The following information represents a projection of HCS's activities in your community. The projection is based on actual services provided from Jan-Sept 1997 and estimated usage from Oct-Dec 1997. A total of 24 residents received the following services. Nursing Services - 149 visits, Physical Therapy - 17 visits, Medical Social Work - 5 visits, Home Health Aide - 11 visits, Child Health Program - 3 children, Homemaker - 80 hours, Outreach - 4 visits, Child Health Nursing - 5 visits, Speech Pathology - 8 visits. The actual cost of all services provided in 1997 with all funding sources is projected to be $25,691.82. These services have been supported by Medicare, Medicaid, other insurance, grants and patient fees.

## 1997 SOUTHWESTERN COMMUNITY SERVICE.

Southwestern Community Service is and outreach and service provider to the communities located in Cheshire and Sullivan Counties. The services include nutrition/health programs, fuel assistance, Woman, Infants and Children (WIC), supplemental foods distribution, emergency food assistance. A total of 41 Richmond households were served in 1997.
